

√ Déjà Du

About Deja VuDu

Déjà VuDu is a cover band playing popular rock music from the 70's through today. To appeal to audiences of all ages, we "mix it up" and focus on selections that are upbeat & danceable. Our motivation continues to be having fun playing music that excites people. With Déjà VuDu, you will find a great variety of cover songs along with a professional quality sound blended with lots of energy in a fun atmosphere.

We believe you can't be a first rate band without first-rate production. With a top-notch sound system, a complete lighting solution and a dedicated sound engineer, we can handle anything from a private party to a large outdoor or corporate event.

An appreciation of the present, paired with respect for the past allows Déjà VuDu to reach a variety of audiences by featuring a mix of classic rock (60's, 70's, and 80's), modern and alternative rock (90's to today), R&B, and dance.

We also promote our own shows and the venues where we are engaged through various internet media, email lists, and posted flyers. Additionally, it is our policy to promote our host venue throughout the course of a show.

Let Déjà VuDu provide outstanding entertainment for your upcoming events this year.
